**Rule 4.102. UNIFORM BAIL and PENALTY SCHEDULES**

**TRAFFIC, BOATING, FORESTRY, FISH and GAME,  
PUBLIC UTILITIES, PARKS and RECREATION, BUSINESS LICENSING**

The Judicial Council of California has established the policy of promulgating uniform bail and penalty schedules for certain offenses in order to achieve a standard of uniformity in the handling of these offenses.

In general, bail is used to ensure the presence of the defendant before the court. Pursuant to Vehicle Code sections 40512 and 13103, bail may also be forfeited and such forfeiture may be had without the necessity of any further court proceedings and treated as a conviction for specified Vehicle Code offenses. A penalty in the form of a monetary sum is a fine imposed as all or a portion of a sentence imposed.

To achieve substantial uniformity of bail and penalties throughout the state in traffic, boating, fish and game, forestry, public utilities, parks and recreation, and business licensing cases, the trial court judges, in performing their duty under section 1269b of the Penal Code to meet annually to revise and adopt, before the first day of January, a schedule of bail and penalties for all misdemeanor and infraction offenses except Vehicle Code infractions, shall give consideration to the Uniform Bail and Penalty Schedules approved by the Judicial Council. The Uniform Bail and Penalty Schedule for infraction violations of the Vehicle Code shall be established by the Judicial Council in accordance with section 40310 of the Vehicle Code. Judges shall give consideration to requiring additional bail for aggravating or enhancing factors.

The judge who calls the annual meeting pursuant to section 1269b of the Penal Code shall, as soon as practicable after the meeting, mail a copy of the schedule to the Judicial Council with a report stating how the revised schedule differs from the council's uniform traffic bail and penalty schedule, uniform boating bail and penalty schedule, uniform fish and game bail and penalty schedule, uniform forestry bail and penalty schedule, uniform public utilities bail and penalty schedule, uniform parks and recreation bail and penalty schedule, or uniform business licensing bail and penalty schedule.

The purpose of this uniform bail and penalty schedule is to

(1) show the standard amount for bail, which for Vehicle Code offenses may also be the amount utilized for a bail forfeiture in lieu of further proceedings; and

(2) serve as a guideline for the imposition of a fine as all or a portion of the penalty for a first conviction of a listed offense where a fine is used as all or a portion of the penalty for such offense. The amounts shown for the misdemeanors on the boating, fish and game, forestry, public utilities, parks and recreation, and business licensing bail and penalty schedules have been set with this dual purpose in mind.

Unless otherwise shown, the maximum penalties for the listed offenses are six months in the county jail or a fine of \$1,000, or both. The penalty amounts are intended to be used to provide standard fine amounts for a first offense conviction of a violation shown where a fine is used as all or a portion of the sentence imposed.

# PREFACE

## ***I. Section and Offense***

- A. Historically, only those offenses most often filed in municipal courts were included in the Uniform Bail and Penalty Schedules. Assembly Bill 1344 (Stats. 1992, ch. 696), effective September 15, 1992, amended Penal Code section 1269b and Vehicle Code section 40310 to require the Judicial Council to establish a schedule for infractions of the Vehicle Code. The Judicial Council approved the first Traffic Infraction Bail and Penalty Schedule in November 1992.
- B. The letter “M” designates a misdemeanor: a crime punishable, at the discretion of the court, by imprisonment in a county jail for a period of no longer than 6 months or by a fine not exceeding \$1,000 or by both (Penal Code section 19).
- C. The letter “I” designates an infraction: a violation of a law not punishable by imprisonment, but by a fine generally not exceeding \$100 for violations of the Vehicle Code (Vehicle Code section 42001) or \$250 for violations of other codes (Penal Code section 19.8).

## ***II. Base Bail***

The “Base Bail” indicated is the amount from which the “additional penalties” required by Penal Code section 1464 and Government Code section 76000 are calculated.

## ***III. Additional Penalties***

- A. An “additional penalty” of \$17 (\$10 state penalty required by Penal Code section 1464 and \$7 county penalty required by Government Code section 76000) shall be levied upon every \$10, or fraction thereof, of every fine, penalty, or forfeiture imposed and collected by the courts for criminal offenses.
- B. Penal Code section 1464(b) provides that in the case of multiple offenses, the amount of “additional penalties” is to be determined by the total base bail or fine for all the offenses cited, and if the fine or base bail is suspended in whole or part, the “additional penalties” shall be reduced in proportion to the amount of suspension.

#### **IV. Total Bail**

- A. Effective January 1, 1989, the Judicial Council adopted a “Total Bail” concept in an effort to obtain statewide consistency in the “bail” policies of the courts. The indicated “Total Bail” is for the first offense, and it must be followed to the extent required by Penal Code section 1269b.
- B. Except as otherwise required by statute, trial courts have discretion to suspend the minimum fine under Penal Code section 1203(b).
- C. Except for the following exceptions, counties must adhere to the Judicial Council’s “Traffic Infraction Bail and Penalty Schedule” for infraction violations of the Vehicle Code (Penal Code section 1269b and Vehicle Code section 40310).

Penal Code section 1463.28 provides that 30 counties may exceed the “Total Bail” amounts of the Traffic Infraction Bail and Penalty Schedule. Those counties are:

- |                 |                 |                 |
|-----------------|-----------------|-----------------|
| 1. Alpine       | 11. Lassen      | 21. San Joaquin |
| 2. Amador       | 12. Los Angeles | 22. Santa Clara |
| 3. Butte        | 13. Madera      | 23. Sierra      |
| 4. Calaveras    | 14. Mariposa    | 24. Stanislaus  |
| 5. Contra Costa | 15. Mendocino   | 25. Sutter      |
| 6. Del Norte    | 16. Modoc       | 26. Trinity     |
| 7. Fresno       | 17. Mono        | 27. Tulare      |
| 8. Humboldt     | 18. Plumas      | 28. Tuolumne    |
| 9. Kings        | 19. San Benito  | 29. Yolo        |
| 10. Lake        | 20. San Diego   | 30. Yuba        |

Additional exceptions result from two pieces of legislation that became operative January 1, 1994:

- 1. Vehicle Code section 42001 allows universities and state colleges to set a fine schedule for bicycle violations occurring in their jurisdictions that would supersede the Judicial Council penalty schedule.
- 2. Vehicle Code section 42009 requires that for any specified offense committed within a highway construction or maintenance area during hours when work is being performed the fine shall be double in the case of misdemeanors and in the case of infractions shall be one category higher than otherwise provided in the Uniform Traffic Penalty Schedule. An Appendix with the specified offenses listed and the enhanced amounts follows the Traffic portion of the bail and penalty schedules, starting on page 37.
- 3. Assembly Bill 398 (Stats. 2001, ch. 481) added one safety enhancement—double fine zone by amending Streets and Highways Code section 97. The fines for any specified offense committed in a safety enhancement—double fine zone shall be double in the case of misdemeanors and in the case of infractions shall be one category higher than otherwise provided in the Uniform

Bail and Penalty Schedule. Any additional penalty, forfeiture, or assessment imposed by any other statute shall be based on the amount of the base fine before enhancement or doubling and shall not be based on the amount of the enhanced fine imposed per Vehicle Code section 42010. The safety enhancement zones are

1. On Route 37, between the intersection with Route 121 and the intersection with Route 29 (Solano and Sonoma Counties);
2. On Route 4, between the intersection with Cummings Skyway and the intersection with Route 80 (Contra Costa County);
3. On Route 74, at both of the following locations:
  - (A) Between the intersection with Route 5 and the intersection with the Riverside-Orange county line (Orange County;
  - (B) Between the junction with Route 15 and the intersection with Seventh Street in the City of Perris (Riverside County);
4. The Golden Gate Bridge (San Francisco/Marin County);
5. Route 46, between the intersection with Route 101 and the junction with Route 41 (San Luis Obispo County);
6. Route 12, between the intersection with Walters Road in the city of Suisun (Solano County) and the intersection with Lower Sacramento Road in the city of Lodi (San Joaquin County);
7. Route 138, between the intersection with Avenue T and Pearblossom Highway and the intersection with Interstate Highway Route 15 (Los Angeles/San Bernardino County);
8. Route 101, between the intersection with Boronda Road and the intersection with the San Benito-Monterey County Line (San Benito/Monterey County);
9. Route 152, between the junction with Route 156 at the Don Pacheco “Y” and the intersection with Ferguson Road (Santa Clara County);
10. On Route 2, between the city limits of La Canada Flintridge and the intersection with Route 39 (Los Angeles County);
11. On County Road 16, Carmel Valley Road, between the junction with Route 1 and the junction with Camp Stefani Road (Monterey County) (Monterey County must submit an evaluation of the Carmel Valley Road Pilot Project to the Department of Transportation for its report to the Legislature by October 1, 2002, for that pilot project to continue beyond that date). The designation will remain effective until January 1, 2004, unless the date is extended or deleted by a later statute.

The “Categories” indicated in the Traffic Infraction Bail and Penalty Schedule under Vehicle Code sections 40310, 42009(a), and 42010(a) will be shown as “1a” and “1b,” “2a” and “2b,” “3a” and “3b,” and “4a” and “4b,” with the “b” subcategory referring to the violation when it is committed in a highway construction or safety enhancement zone.

- D. The “Total Bail” amounts within the Uniform Boating, Forestry, Fish and Game, Public Utilities, Parks and Recreation, and Business Licensing Bail Schedules are suggested amounts, and their adoption by courts is not compulsory.

E. The “Total Bail” amount indicated includes the base bail and those “additional penalties” required by Penal Code section 1464 and Government Code section 76000. Any other “assessment” adopted by a court—such as “Night Court” (Vehicle Code section 42006) and “Administrative Assessments” (Vehicle Code section 40508.6)—shall be added to the “Total Bail.” Penal Code section 1202.4(b)(1) requires a minimum \$100 restitution fine as an assessment in addition to the “Total Bail” in every case where there is a misdemeanor conviction. Other mandatory assessments may also be applicable, especially in DUI cases.

Assembly Bill 3424 (Stats. 1994, ch. 1215) authorized a \$15 penalty to be collected in addition to the fine and penalties normally collected for violations of the Fish and Game Code, to be deposited in the Fish and Game Preservation Fund and disbursed as specified.

F. “Total Bail” shall not exceed statutory limits. Vehicle Code section 40310 specifies that the “fine” amount of the total bail shall not exceed the limitations specified by Vehicle Code sections 42001 and 42001.5.

G. In cases where a court appearance is required by a court, the amounts set forth in the Uniform Bail and Penalty Schedules do not necessarily indicate the appropriate total penalties; rather, they ensure that, in most cases, when bail is posted, sufficient funds will be available to meet the defendant’s obligations. Upon conviction, however, “additional penalties” are added to any fine. It is incumbent upon the judge who hears each case to determine the proper total penalty (fine and “additional penalties”) based upon the particular facts presented.

With the exception of juveniles under age 18, there shall be no mandatory court appearance for any infraction of the California Vehicle Code punishable by fine only, unless a statutory driver’s license restriction, suspension, or revocation is authorized by the Vehicle Code. This does not apply to violations of local ordinances based on Vehicle Code sections.

H. The “Total Bail” for an offense **not specifically listed** in the Uniform Traffic Infraction Bail and Penalty Schedule is the amount set for the general category of that offense, unless a California code or regulation specifies otherwise. The suggested minimum “Total Bail” for an offense **not specifically listed** in the Uniform Traffic Misdemeanor Bail and Penalty Schedule and the Uniform Boating, Fish and Game, Forestry, Parks and Recreation or Business Licensing Bail and Penalty Schedules, unless a California code or regulation specifies otherwise, is

	Base + Additional Penalties = Total Bail/Penalty			
Misdemeanor	\$ 75	+	\$ 136	= \$211
Infraction	\$ 35	+	\$ 68	= \$103

The suggested minimum “Total Bail” for an offense **not specifically listed** in the Uniform Public Utilities Bail and Penalty Schedule, unless a California code or regulation specifies otherwise, is

Misdemeanor	\$ 181	+	\$ 323	= \$504
-------------	--------	---	--------	---------

## V. Bail Categories

Assembly Bill 1344 (Stats. 1992, ch. 696), effective September 15, 1992, amended Vehicle Code section 40310 to classify Vehicle Code offenses into four or fewer penalty categories, according to the severity of the offenses.

The Judicial Council has approved the following categories of bail/fine after considering suggestions from its Traffic Advisory Committee and the recommendations made by the National Center for State Courts:

	<u>Base</u> <u>Fine</u>		<u>Additional</u> <u>Penalties</u>		<u>Total</u>
Category 1	Bicyclist, motorized scooter, and pedestrian offenses Vehicle registration and equipment offenses	\$ 25	+	\$ 51	= \$ 76
Category 2	Driver's license and "rules of the road" offenses	\$ 35	+	\$ 68	= \$103
Category 3	Substance abuse infractions	\$ 70	+	\$ 119	= \$189
Category 4	Miscellaneous offenses for which the penalties are specifically set by the Vehicle Code, speeding offenses (refer to Speed Chart), and infractions pursuant to Penal Code section 19.8.				

Vehicle Code section 14610.5(a) may be charged as either an infraction or a misdemeanor (Vehicle Code section 14610.5(b)). Penal Code section 19.8 permits the following offenses to be charged as either an infraction or a misdemeanor: Vehicle Code sections 12500(a), 14601.1, 23109(c), 27150.1, 40508, and 42005. If one of these offenses is charged as an infraction, the appropriate penalty is listed in the Traffic Infraction Bail and Penalty Schedule. If the offense is charged as a misdemeanor, the recommended penalty is listed in the Traffic Misdemeanor Penalty and Bail Schedule.

## VI. Point Count

Vehicle Code sections 12810 and 12810.2 determine the amount of point count. The Department of Motor Vehicles establishes conviction point count based upon statutory guidance and definition. Vehicle Code section 12810.5 defines a "negligent operator" based on point count. The Department of Motor Vehicles may take an administrative sanction against a person's driving privilege based on "points" (Vehicle Code section 12810.5).

## VII. Prior Convictions

- A. The penalty for a Vehicle Code offense shall be enhanced by \$10 for each "prior" conviction within 36 months of the new alleged offense. For the purpose of penalty enhancement, a "prior" is any conviction of a Vehicle Code offense for which a "point" has been assigned per Vehicle Code sections 12810 and 12810.2. A conviction for only one violation arising from one occasion of arrest or citation shall be counted as a "prior."

While Vehicle Code section 42001 references maximum fines within a one-year time frame, the Judicial Council has interpreted section 42001 to not preclude a court from considering “prior” convictions for a longer period of time.

The period of 36 months was adopted by the Judicial Council (effective January 1, 1989) to correspond to and reinforce Vehicle Code sections 12810 and 12810.5. These sections define the “point system” used by the Department of Motor Vehicles as prima facie evidence of the negligent operation of a motor vehicle.

Vehicle Code sections 15306 and 15308 specify penalties for commercial drivers in terms of subsequent offenses occurring within three years.

- B. In the case of an owner responsibility citation, the “prior” must relate to the particular vehicle for which the new offense is charged.
- C. Vehicle Code section 42004 provides that the court, in determining a penalty to be imposed pursuant to the Vehicle Code, may use a written report from the Department of Motor Vehicles that contains information showing prior convictions.
- D. With the exception of parking, pedestrian, and bicycle offenses, Vehicle Code section 40508.6 authorizes courts to establish a \$10 administrative assessment for recording and maintaining a defendant’s record of “priors.”

### ***VIII. Traffic Violator School***

- A. Vehicle Code section 42007 provides that
  - 1. The court shall collect a fee from every person ordered or permitted to attend traffic violator school in an amount equal to the total bail set forth for the eligible offense in the uniform countywide bail schedule;
  - 2. Where multiple offenses are charged on a single notice to appear, the “total bail” amount collected is the amount applicable to the greater of the eligible offenses; and
  - 3. The court may set a lesser fee upon a showing that the defendant is unable to pay the full amount.
- B. Vehicle Code section 40512.6 provides that the fee may be converted to bail and forfeited if the defendant fails to submit proof of school completion within the time ordered by the court.

- C. Vehicle Code section 42007.1(a) provides that a \$24 fee is to be added to the “total bail” of the offense eligible for traffic violator school diversion.

**Sample Calculation of Bail and Traffic Violator’s School Fee for Multiple Offenses**

1. Violation of Vehicle Code sections 2815, 21466.5, 21703, and 24407.
2. No prior convictions are charged.
3. “Additional penalties” of \$17 for every \$10 of fine or portion thereof

	AOC “Total Bail”
VC 2815	+ \$135
VC 21466.5	= \$ 76
VC 21703	= \$103
VC 24407	= <u>\$ 76</u>
TOTAL	= \$390

4. The defendant is ordered to attend traffic violator school under VC 41501 for VC 21466.5 and VC 21703. Per VC 42007 the defendant is charged for the greater/more severe of the qualifying offenses: VC 21703 @ \$103 plus the \$24 TVS fee per VC 42007.1 (total of \$127).
5. The charges of VC 21455.5 and VC 21703 are continued under VC 41501. The charge of VC 24407 is continued pending proof of correction, required under VC 40522 for dismissal.
6. VC 2815 is ineligible for traffic violator school under rule 851 of the California Rules of Court, and defendant pays full bail. The defendant presents to the court timely evidence that he or she has completed traffic violator school. The VC 21466.5 and VC 21703 violations are dismissed under VC 41501. The defendant submits to the court timely evidence under VC 40616 that the violation of VC 24407 has been corrected. The VC 24407 violation is dismissed under VC 40522, and a \$10 “transaction fee” is charged under VC 40611.
7. The case is closed, with the court collecting \$272 (\$103 + \$24 + \$135 + \$10).

**IX. Late Charge**

Assembly Bill 1344 (Stats. 1992, ch. 696), effective September 15, 1992, amended Vehicle Code section 40310 to require the imposition of a late charge of 50 percent on any traffic penalties not paid within 20 days. The 20 days shall be counted from the mailing of a notice that the penalty has been assessed.

The initial penalty consists of the base fine, an enhancement for prior convictions (if any), and state and county additional penalties

(Penal Code section 1464 and Government Code section 76000).

**Sample Calculation of Late Penalty**

1. Base fine		\$ 25
2. Enhancement for one prior conviction	+	<u>\$ 10</u>
Enhanced base fine		\$ 35
3. Additional penalties (PC 1464 and GC 76000)		
(\$17 X 4)	+	<u>\$ 68</u>
	Initial Penalty	\$103
4. Night court assessment (VC 42006)	+	\$ 1
5. Administrative assessment for maintaining a record of priors (VC 40508.6)	+	<u>\$ 10</u>
	Total Due	\$114
6. Late charge (VC 40310)		
[50% of initial penalty, rounded off to nearest dollar]	+	<u>\$ 52</u>
	Total Due	\$166

**X. Offenses Eligible for Correction**

Under Vehicle Code section 40522, an officer arresting for violations specified in Vehicle Code section 40303.5 is required to specify the offense charged and note in a form approved by the Judicial Council that the charge shall be dismissed upon proof of correction. Certain offenses specified in Vehicle Code section 40303.5 are designated in the following schedule as eligible for correction. The offenses designated in the schedule as eligible for correction, and those offenses specified by Vehicle Code section 40303.5 that are not contained in the schedule, are eligible for dismissal with proof of correction if none of the disqualifying conditions of Vehicle Code section 40610(b) exist. Those disqualifying conditions are

1. Evidence of fraud or persistent neglect;
2. The violation represents an immediate safety hazard;
3. The violator does not agree to or cannot promptly correct the violation.

Upon proof of correction of an alleged violation of section 12500 or 12951, or any violation cited pursuant to section 40610, Vehicle Code section 40611 authorizes courts to collect a \$10 transaction fee for each case. No bail amount shall be collected.

In cases alleging violation of Vehicle Code section 4000(a), Vehicle Code section 40152 requires that proof of registration or proof of payment of the appropriate registration fees or proof that the vehicle has been reduced to junk be produced in court before the offense can be adjudicated.

## ***XI. Evidence of Financial Responsibility***

Pursuant to subdivision (e) of section 16028, upon submission of evidence of financial responsibility, in a form consistent with Vehicle Code section 16020, showing that the driver was in compliance with that section at the time the notice to appear for violating Vehicle Code section 16028 was issued, further proceedings for the violation shall be dismissed and no bail amount shall be collected. Vehicle Code section 40611 authorizes courts to collect a \$10 transaction fee for each case that is dismissed pursuant to subdivision (e) of section 16028.

## ***XII. Parking Violations***

Assembly Bill 408 (Stats. 1992, ch. 1244), effective January 1, 1993, revised and recast the procedures for processing and adjudicating parking law offenses. The bill required courts to transfer the processing of parking offenses to issuing agencies not later than January 1, 1994. Consequently, the parking violations have been removed from the Uniform Bail and Penalty Schedules.

Vehicle Code section 463 defines “park” or “parking” as the standing of a vehicle, whether occupied or not, otherwise than temporarily for the purpose of and while actually engaged in the loading or unloading of merchandise or passengers.
